COMMANDER'S COMMENTS

Comrades and Sisters,

December was filled with activity. The Children's Christmas Party on the 19th was a big, big success. We had 40 children attend and I understand that Santa Claus appeared and was a big hit. Many, many thanks to Dora Fitzpatrick, and Jackie Key for all of their hard work and talent in making this party so much fun for the children and their parents and grandparents. Later that same day Jolynn Johnson, Anni and Todd Kruckenburg put on an outstanding Christmas Party in the Canteen. A good time was had by all. If you had to miss the Christmas Party, don't miss the New Year's Eve Party. It promises to be a grand event.

Our Voice of Democracy and Patriot's Pen Winners were announced this month: VOD 1st Place is Severine Cushing from Sandy High School; 2nd Place is Laura Secomb from Damascus Christian School; and 3rd Place is Olivia Baurer, also from Damascus Christian. PP 1st Place is Kaitlyn Klahn from Boring Middle School; 2nd Place is Page Eisert from Boring Middle School; and 3rd Place is Valerie Wakefield from Damascus Christian. Kaitlyn Klahn and Page Eisert went on to place 2nd and 3rd respectively at the District Level as well. We can all be very proud of all the students who participated in both of these worthy programs.

Thanks to Allen and Cindi Anderson for donating the beautiful Christmas Tree decorating the Hall.

Al Faust submitted the highest bid and is now the proud owner of the old flagpole. I would like to thank Darrell Vaughn, Dan Copher, Todd Kruckenburg, and Kris Engblom for digging the pole up and transporting it up to Al's place. Also, many thanks to Todd and Darrell for the new hand railing on the front steps leading to the Canteen, and to Fred's Travel for loaning them equipment to do the job.

Thanks to Todd and Anni and Tim and Loretta for the fine Swedish Meatball Dinner they prepared and served on the 5th. Keep up the great work folks. Semper Fi! Bert Key, Commander

Children's Christmas Party

THANK YOU!

Thank you to Santa's Helpers Dora Fitzpatrick, Judy Gascon, Voriece Blair, Karen Taylor and Jackie Key for making this years Children's Christmas Party a grand success. Santa listened to 40 children's wishes. Fun was had by all.

Our goal in the membership drive is to keep our Post a vigorous and positive force for veterans and the community for years to come. That means gaining new members so we can help the growing number of veterans and to replace older members who are no longer as active. We also need to keep our current members involved both by participating in Post activities that assist veterans and our community as well as by keeping dues current for those who pay annual dues. Remember we are here to serve veterans with: VA and government issues, ceremonies, special concerns, and comradeship in addition to contributing to our community with youth education programs and ceremonies to honor veterans. We should strive to reach 100% of our previous membership level just to maintain our current level of activity, but we should do better than 100% if we are committed to helping the new veterans from the current combat zones and to help the increasing number of older veterans who need assistance. We need every member to do his/her part over the next few months by making 3 contacts. Talk to everyone who appears to be a veteran to see if they are eligible. PLEASE DO YOUR PART BY HELPING IN THE MEMBERSHIP DRIVE. Thank you. Jim Mitchell, Senior Vice Commander

**A Thank You To Vietnam Vets From A Marine
In Iraq**

A guy gets time to think over here and I was thinking about all the support we get from home. Sometimes it's overwhelming. We get care packages at times faster than we can use them. There are boxes and boxes of toiletries and snacks lining the center of every tent; the generosity has been amazing. So, I was pondering the question: "Why do we have so much support?"

In my opinion, it came down to one thing: Vietnam. I think we learned a lesson, as a nation, that no matter what, you have to support the troops who are on the line, who are risking everything. We treated them so poorly back then. When they returned was even worse. The stories are nightmarish of what our returning warriors were subjected to. It is a national scar, a blemish on our country, an embarrassment to all of us. After Vietnam, it had time to sink in. The guilt in our collective consciousness grew. It shamed us. However, we learned from our mistake.

Somewhere during the late 1970's and into the 80's, we realized that we can't treat our warriors that way. So, starting during the Gulf War, when the first real opportunity arose to stand up and support the troops, we did. We did it to support our friends and family going off to war. But we also did it to right the wrongs from the Vietnam era. We treated our troops like the heroes they were, acknowledged and celebrated their sacrifice, and rejoiced at their homecoming instead of spitting on them.

And that support continues today for those of us in Iraq. Our country knows that it must support us and it does. The lesson was learned in Vietnam and we are better because of it.

Everyone who has gone before is a hero. They are celebrated in my heart. I think admirably of all those who have gone before me. From those who fought to establish this country in the late 1770's to those I serve with here in Iraq. They have all sacrificed to ensure our freedom.

But when I get back, I'm going to make it a personal mission to specifically thank every Vietnam Vet I encounter for their sacrifice. Because if nothing else good came from that terrible war, one thing did. It was the lesson learned on how we treat our warriors. We as a country learned from our mistake and now treat our warriors as heroes, as we should.

I am the beneficiary of their sacrifice. Not only for the freedom they, like veterans from other wars, ensured, but for how well our country now treats my fellow Marines and I. We are the beneficiaries of their sacrifice. Semper Fidelis, Major Brian P. Bresnahan, U. S. Marine Corps.
