### POST COMMANDER'S COMMENTS

Greetings:

Hope this article finds everyone well. Post is doing well in all aspects. We need volunteers in everything we do. Your help is what keeps us in business.

In order to help returning vet's and their families we have to keep up the great work that we've been doing so well. Thanks to all of you, my first year as Post Commander has went rather well for me. Not only did we reach state status, we attained all American status as well. This was confirmed by a letter received from national headquarters a week ago. Again, thank you all for your participation.

Summer is here, and to kick it off we start with memorial day celebration at Fir Hill cemetery may 28 at 11:00 am followed by post potluck. June 6-10 will be our state convention at Coosbay at the Old Mill casino. If able, please attend. There will be plenty of fun for all. June 15 will be our post meeting. In July we will have our national meeting in Reno Nevada. This will be as close to us as it will get for at least 5 years.

We had a great loyalty day celebration followed by a wonderful potato bar hosted by our ladies auxiliary president Jean Bittencourt. Thanks again Jean.

Thanks again to all new officers post and auxiliary. Your new terms will begin June 10 following our state convention. Wish you all great success.

July begins a busy time for us, with the sandy Mt. day parade and sandy Mt. day VFW chicken barbecue - the best in the state.

Hope everyone has a great summer.

All gave some, some gave all.

Commander Terry Boyer post 4273

### Ladies Auxiliary President's Message

Summer is here already. Thank you for a great year, filled with many successes, a lot of work and fun.

The District 15 meeting Cinco De Mayo potluck was a real feast. Thank you to all who contributed and helped to get it setup and cleaned up. I would not have been able to get it done if Sardi and Midge hadn't shown up at around 9:30 to help.

Buddy Poppy sales and our Memorial Day ceremonies have just come to a conclusion. I appreciate your participation and time. I always get emotional when I see the caskets flags flying and all the small flags out at the cemeteries. It really brings home the true spirit of Memorial Day and the reason for the Poppies. If you were not able to participate this year, I hope you will set some time aside next Memorial Day to hand out Poppy's in honor of our veterans.

Our VA Hospital birthday visit was great. The hospitalized veterans are always so thankful to receive our surprise gifts. Thank you Wanda for shopping for gifts and making the arrangements for our visit.

I will need help to fix our annual Father's Day breakfast on June 17th. Please let me know if you are available to help. Thank you.

We will be putting up signup sheets for help at our Bar-B-Q booth at the Mountain Festival soon. This is a huge project. There is a lot of work and fun involved, please plan on helping.

Don't forget the Post picnic at Barton Park on August 11th. It is a potluck with the Post providing the Bar-B-Q.

There is a School of Instruction for all of our new and old officers in Molalla on Sat., Aug. 4th. There is critical information provided at this meeting and very one should plan on attending.

Ladies please remember our meeting change due to the Dept. Convention. Our next meeting will be on Thursday June 14th at 6:45pm. Starting in July our meetings will begin at 6:00pm on the second Friday of each month.

Have a safe and fun filled summer.

Jean Bettencourt

Ladies Auxiliary President

WASHINGTON, May 15, 2012 - Unemployed veterans ages 35 to 60 can apply for up to 12 months of paid training through a new program sponsored by the Departments of Labor and Veterans Affairs.

VA officials said the population the Veterans Retraining Assistance Program will serve is particularly in need. Of about 900,000 U.S. veterans who are unemployed, nearly two-thirds are between 35 and 60, according to the Labor Department.

The program, which began today, provides 12 months of training assistance equal to the monthly full-time payment rate under the Montgomery GI Bill-Active Duty program, which currently pays \$1,473 per month.

Participants must be enrolled in a community college or technical school program approved for VA benefits. The program must lead to an associate degree, non-college degree or certificate.

To qualify, a veteran also must:

- Be unemployed on the day of application;
- Have a discharge that is not dishonorable;
- Not be eligible for any other VA education benefit program, such as the Post-9/11 GI Bill or Montgomery GI Bill;
- Not receive VA compensation for being unemployable;
- Not be enrolled in a federal or state job training program; and
- Pursue a program that leads to employment in one of 210 occupations the Labor Department designates as high-demand.

Eligible veterans may call 800-827-1000 to learn more about the program or For more information about the Department of Labor's Veterans programs, go to <http://www.dol.gov/vets/>
