POST COMMANDER'S COMMENTS

Hello again:

Hope this letter finds everyone well. Summer is great. Hope everyone is having fun as much as I am. My heart felt thanks to everyone who was involved in our annual chicken barbecue. We all worked hard to make this a success. Weather was great the crowds were down, and we still made a few bucks. Thanks to all! Following this event we had another great white river camp out. For all who attended thank you. Great fellowship was had and memories were made. Once again, thank you. It seems like every summer gets worse than before. This year the house committee has decided to drop two more days off our days open. We are now open Wednesday— Thursday and Friday. These will be our new days of operation until further notice. Any questions regarding this matter please contact your new bar manager John Lamb or commander Terry Boyer. If anyone needs to contact me, I will be out of town for the next 16 days. Please contact Kris Goldby your new sr. vice.

**Thank you and stay safe.
Commander Terry Boyer**

Ladies Auxiliary President's Message

WOW, I can't believe it is already August.

Mt. Festival didn't go quite as planned. The first day Voriece fell on her way to work in the food booth and broke her ankle in 3 places. We all wish her a quick and easy recovery. However it will be a long journey. We didn't make the amount of money that we hoped to, the Post and Auxiliary each was able to add only \$627.00 to their accounts.

I want to thank everyone for all the time and effort they put into the BBQ Chicken, both cooking and serving. I won't mention any names as I don't want to leave anyone out.

The first School of Instruction is August 1, 2015 at 9AM in Molalla at 127 Grange St. I encourage Officers to attend, and any interested in the workings of the Ladies Auxiliary.

The 2nd SOI will be 8/8/2015 in Sutherlin at the Community Center and the final one will be 8/15/2015 in Pendleton at the VFW hall. All SOI's begin at 9AM.

I hope everyone is having a great summer and let's not forget that our annual dues are now due along with the life members \$3.00 for the Sunshine Fund.

Auxiliary President

Nails In The Fence

There once was a little boy who had a bad temper. His father gave him a bag of nails and told him that every time he lost his temper, he must hammer a nail into the back of the fence.

The first day the boy had driven 37 nails into the fence. Over the next few weeks, as he learned to control his anger, the number of nails hammered daily gradually dwindled down. He discovered it was easier to hold his temper than to drive those nails into the fence.

Finally the day came when the boy didn't lose his temper at all. He told his father about it and the father suggested that the boy now pull out one nail for each day that he was able to hold his temper. The days passed and the young boy was finally able to tell his father that all the nails were gone.

The father took his son by the hand and led him to the fence. He said, "You have done well, my son, but look at the holes in the fence. The fence will never be the same. When you say things in anger, they leave a scar just like this one. You can put a knife in a man and draw it out. It won't matter how many times you say I'm sorry, the wound is still there."

The little boy then understood how powerful his words were. He looked up at his father and said "I hope you can forgive me father for the holes I put in you."

"Of course I can," said the father.

Praise god

Melissa
