"First to serve our Veterans"

September 2011

COMMANDER'S COMMENTS

Greetings to all!

What a fun filled summer starting with the election of our own State Commander, Bert Key. What a great time for all.

We then moved right into the Sandy Mountain Day Parade where we had great involvement by the post and its auxiliaries, ladies and men.

Following day we were involved in setting up for the Field of Honor where we presented Honorable Oregon service medals to many veterans of the United States. Having fun yet?

Next we opened our chicken barbecue booth in Meineg park for Sandy Mt. Festival. This event was headed by Dan Copher, and Jean Bettencourt. Thanks to them and all of our volunteers, we had a fun time that was quite profitable for our post.

We then had our post campout at Whiteriver. Talking to those who attended, fun was had by all.

Last on the list of summer events was our post picnic at Barton park where good food, drink, and good friendship were enjoyed by all who attended.

Post meeting September 9, 2011 @ 8:00 pm.
House comm. meeting September 4, 2011 @ 12:00 noon.

All gave some, some gave all.
Terry Boyer,
Post Commander.

Ladies Auxiliary President's Message

I hope everyone has had a fun filled and safe summer. Many of you have remained very busy around here and I am very grateful for all of your hard work. Our Chicken Bar-B-Q at the Mountain Festival was a huge success. We raised a good amount of money for both the Auxiliary and the Post. The Post's annual picnic was fun and the food was delicious, thanks to everyone who participated. We look forward to seeing even more members next year.

We are going to have a rummage sale this September. We will be setting up on Wed., Sept. 21st and our sale will be held Thurs. thru Sat., Sept. 22nd, 23rd & 24th. Please save all of your good stuff and bring it down for the sale. We will need lots of help so please save some of your time for us. Questions may be directed to Jean Bettencourt or Jewel Lamb.

We are also planning a silent auction/dinner some time in Nov. So, please start thinking of things you can donate or get local merchants to donate for the silent auction. You get to decide where the money will go for any items that you bring in for the auction. We are hoping this will be a fun evening for the entire family as well as an opportunity for us to raise money for many different programs.

I am very grateful for the cooperation and help that I have receive from all of you this summer and I know this will be a great year for our Auxiliary. Thank you.

Jean Bettencourt

BOY OH BOY here it is almost fall and time to get back to work on our programs. I hope everyone had a great summer even though it was late.

Then, on Sunday September 25th we will be having our Blueberry Pancake Breakfast & Bingo for Cancer. Breakfast is \$5.00, Bingo is .50 a card, per game. Please come have a wonderful breakfast, play some bingo meet old friends, make some new ones, and help us raise money for cancer.

September is Prostate and Ovarian Cancer, Leukemia and Lymphoma Awareness Month:

The chance of getting prostate cancer goes up as a man gets older. Most prostate cancers are found in men over the age of 65. Having one or more close relatives with prostate cancer also increases a man's risk of having prostate cancer. Starting at age 50, talk to your doctor about the pros and cons of testing so you can decide if getting tested is the right choice for you. If you decide to be tested, you should have the PSA blood test with or without a rectal exam. How often you are tested will depend on your PSA level.

Ovarian cancer is the fifth most common cancer in women. It causes more deaths than do all other cancers of the female reproductive system combined. Your risk of ovarian cancer increases with age, peaking in your early 70s. your chances of surviving ovarian cancer are better if the cancer is found early. The signs and symptoms of ovarian cancer tend to mimic those of other conditions, including digestive and urinary disorders. The key is if they're persistent or worsening. Common warning signs include: Abdominal or pelvic pressure, discomfort or pain.-Persistent indigestion, gas or nausea.-Feeling full even after a light meal.- Unexplained changes in bowel habits, including diarrhea or constipation.- Abdominal swelling or bloating, which can cause your clothing to feel tighter.- Changes in bladder habits, including a frequent or urgent need to urinate.- Loss of appetite.- Unexplained weight loss or gain, especially in the abdominal area.- Pain during intercourse. See your doctor if you have persistent signs or symptoms for two weeks or more.

Everyone please get your check-ups and take good care of yourselves!!!

I LOVE YOU ALL
