POST COMMANDER'S COMMENTS

Greetings, Comrades,

November was a really great month. The Post hosted the Veterans' Day Celebration at Centennial Plaza, visited with the veterans at Avamere Assisted Living for Veterans' Day, and served a free Thanksgiving dinner on Thanksgiving Day at the Post. At November's Post Meeting, I was privileged to swear in two new members to Post 4273, Kristian and Shane. Welcome our new Comrades with warmth and understanding.

None of this would have happened without the enthusiastic efforts of many tireless volunteers. Post members, Auxiliary members and “friends of Post 4273,” as I would call them, contributed significant amounts of their personal time to insure that our Post's objectives were met. It has given me immense satisfaction to work alongside such a fine group of people. My familiarity with the membership has grown and it's only natural that this second month of command will allow me to get closer to even more of our fine members. Together, we will continue to ensure that we are doing everything we can for veterans, and we do it unselfishly.

And time marches on. What are our goals for December? Maybe a few teams of volunteers going to Avamere and Cascadia Assisted Living facilities to “sing for Christmas Supper?” Will there be nominations for our vacant officers' posts, or will I have to be Draconian and start appointing officers “Pro Temper?” one suggestion has been to affiliate with the Kiwanis on “Food Baskets.”

Any ideas for January special events at the Post should be brought to the Adjutant, Tony Gibler, 503-267-6045, to be put on the December New Business Agenda so we can have better lead time for coordination of events. There will be a Special House Committee Meeting on December 2nd, any suggestions for December or January events should be brought to Tony's attention to be placed on the Meeting Agenda.

Til Next Time! Best Regards!

Casey Wood
Commander

Post Chaplin

“Therefore the Lord himself will give you a sign. Behold, the virgin shall conceive and bear a son, and shall call his name Emmanuel. He shall eat curds and honey when he knows how to refuse the evil and choose the good... For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called wonderful counselor, mighty God, Everlasting Father, Prince of Peace.”

Isaiah 7:14, 9:6

The holidays is a time for celebrating and giving thanks. During this time let us not forget our neighbors and the people that live in our community. We can give them the gift of our time and share our many talents that God has given to each one of us. So this holyday season, let’s reach out and make a difference in someone's’ life.

Our prayers are with the family and friends of long time friend of Sandy Post, Dave Velmere, we will miss him greatly.

“But God will redeem my life from the grave; he will surely take me to himself.”

Psalms 49:15

There will be a Celebration of Life Pot Luck at the Post for Dave Velmere.

It’s on December 6th, at 3:00 pm. Everyone is invited.

Ladies Auxiliary President's Message

'Twas the night before Christmas, he lived all alone, In a one bedroom house made of plaster & stone. I had come down the chimney with presents to give And to see just who in this home did live. I looked all about a strange sight I did see, No tinsel, no presents, not even a tree. No stocking by the fire, just boots filled with sand, On the wall hung pictures of far distant lands. With medals and badges, awards of all kind A sober thought came through my mind. For this house was different, so dark and dreary, I knew I had found the home of a soldier, once I could see clearly.

I heard stories about them, I had to see more, So I walked down the hall and pushed open the door. And there he lay sleeping silent alone, Curled up on the floor in his one bedroom home. His face so gentle, his room in such disorder, Not how I pictured a United States soldier. Was this the hero of whom I'd just read? Curled up in his poncho, a floor for his bed? His head was clean shaven, his weathered face tan, I soon understood this was more than a man. For I realized the families that I saw that night Owed their lives to these men who were willing to fight. Soon 'round the world, the children would play, And grownups would celebrate on a bright Christmas day.

They all enjoyed freedom each month of the year, Because of soldiers like this one lying here. I couldn't help wonder how many lay alone On a cold Christmas Eve in a land far from home. Just the very thought brought a tear to my eye, I dropped to my knees and started to cry. The soldier awakened and I heard a rough voice, "Santa don't cry, this life is my choice; I fight for freedom, I don't ask for more, my life is my God, my country, my Corps." With that he rolled over and drifted off into sleep, I couldn't control it, I continued to weep. I watched him for hours, so silent and still, I noticed he shivered from the cold night's chill. So I took off my jacket, the one made of red, And I covered this Soldier from his toes to his head. And I put on his T-shirt of gray and black, With an eagle and an Army patch embroidered on back. And although it barely fit me, I began to swell with pride, And for a shining moment, I was United States Army deep inside. I didn't want to leave him on that cold dark night, This guardian of honor so willing to fight. Then the soldier rolled over, whispered with a voice so clean and pure,

"Carry on Santa, it's Christmas Day, all is secure. "One look at my watch, and I knew he was right, "Merry Christmas my friend, and to all a good night!"

Christmas is coming, and some credit is due to our U.S. Service Men and Women serving Overseas who cannot be with their loved ones this Holiday Season.

Loretta Wilson Aux President
