"First to serve our Veterans"

February 2009

## COMMANDER'S COMMENTS

Comrades and Sisters,

If you have not yet purchased your dinner tickets for the Mid-Winter Conference Voice of Democracy contact Bert Key. The Conference is being held in Portland this year so will be easy for everyone to get to. Our Patriot's Pen winner, Taylur DeWolf won the Department competition and will be reciting her essay at the dinner. The young people in our community deserve our support and we owe it to her to be in attendance.

Our strength percentage has improved somewhat but we still have a long way to go. As of this date we stand at 80%. The next Membership Committee Meeting will be held at 5:30 pm on 10 February. We need a lot of help on this. Please attend and help us get to 100%.

The new flagpole project is nearing completion. Many thanks go to Kris Engblom, Dan Copher, John Lamb, John Knotts, Leo Johnson, Larry Merritt, and Mike Horttor for donating their time and expertise in getting the project going. I want to thank Brad Picking for donating the flagpole to us. And a big thank you to Ahmad Alsafadi, owner of Taco Time, for his agreeing to allow us to raise the pole back away from the power lines and on to his property.

I appreciate all of the support we have received from many, many members for our Canteen events. Your continued support makes all the difference in the world. As the Canteen Manager, Lori Merritt has worked hard planning and implementing a variety of activities to capture the interest of all the members. And I commend her for that. See you at the post!

Allen Anderson, Commander

## Ladies Auxiliary President's Message

Sisters,

I was talking to a friend of mine the other day about the Ladies Auxiliary. We were talking about all of the great things the Auxiliary has done in the past to help our Veterans. We have plaques and awards covering the walls upstairs. There are albums full of accomplishments and photos of happy events. I have heard so many great stories of years past, stories of unity and real Sisterhood. There are also some really funny stories of picnics, parties and conventions. And then there are the stories from the men. I am humbled and grateful when I hear the stories of our Veterans. I have listened to stories from them that have made me cry and others that have made me laugh out loud. These stories I will keep with me all of my life. I feel very fortunate that after being a member for many years now, I have a few stories of my own to tell.

Ladies, I hope we never forget the reason why we are all here. The reason why all of us joined this wonderful organization. I cannot speak for you, but for me it was to be a part of something great. To help our Veterans, their families and our community as a whole. Veterans helping veterans.

I, along with some other ladies will be holding a memorial to celebrate Hanna Lindholm's life on February 7, at 4 pm at the post. Please plan on attending. Thank you. President Lori Merritt

**Boring Middle School Student Wins!**

Taylor DeWolf, an 8th grade student at Boring Middle School has recently been named the winner of the VFW's Patriot's Pen essay contest for the Department of Oregon. Haley Moore, also a student at Boring Middle School placed third in the District competition. District 15 includes; Sandy, Gresham, Oregon City, Canby, Woodburn, Silverton and Molalla and the areas around these cities. Both students were forwarded to District competition by Sandy Post 4273.

Students compete by writing an original 300 to 400 word essay on an annual patriotic theme. This year's theme is "Why America's Veterans Should Be Honored". The contest is open to all 6th, 7th and 8th grade students. The essays are judged on; knowledge of the theme, theme development and clarity of ideas.

As VFW District 15 winner Taylor DeWolf, and the 2nd and 3rd place winners will receive a cash prize and certificates. Taylor DeWolf's 1st place essay will be forwarded to National level competition with the other 53 State and Territory winners. Special thanks to Allen Anderson, Lori Merritt, and Bert Key for making the presentations to the students at Boring Middle School on 23 January. The community can be very proud of these students.

Sisters and Brothers,

We are saddened to report that one of our Sister's passed away. After months of illness Hanna Lindholm passed away on January 19. Hanna did not want a funeral service but there will be a memorial service to celebrate her life at 4:00 pm, at the Post, on February 7. Please plan on attending.

May the good Lord bless us all.

### Campbell Soup Can Labels For National Home

Millions and millions of cans of tomato and chicken noodle soup later, the VFW National Home has a veritable fleet of vehicles. Thanks to the Campbell's Soup Labels for Education program and the outstanding support of our nation wide net of VFW and Ladies Auxiliary supporters, there are four vans that are available for transporting children and families to school, church. Appointments, sports practices and community service activities.

Campbell's Soup Van Timeline:

2003-Blue Van, Cost 1,100,000 labels

2005-White Van, Cost 1,500,000 labels

2007-Red Van, Cost 1,500,000 labels

2008-Blue Van, Cost 1,600,000 labels

The National Home is starting its journey toward a fifth vehicle. The challenging news is that the goal is BIG—1.6 million labels is the going price for a brand new Dodge Caravan. And the National Home is just 19 percent of the way to that goal! Please keep those labels coming! We can't do it without your support, but we know we can do it! Please bring your labels into the Post for Nancy Amonson, Auxiliary Chair National Home. Thank you.

#### From the Judge

**Question:** What is the appropriate cap to wear at the Post meetings?

**Answer:** The official VFW cap is the preferred head-gear for meetings. However, ceremonial/awards caps with titles other than what would identify with a Post level office is acceptable.

**Question:** Should members always wear their caps at Post meetings?

**Answer:** No, the National By-Laws do not require or mandate that caps be worn by members in attendance at VFW Meetings.

**Question:** Can the Post QM Report be maintained on computer generated forms other than what is available from the National Emblem and Supply Department?

**Answer:** Yes, as long as such forms contain the required data.

**Question:** Is a motion required to accept the QM's report?

**Answer:** Demeter's Manual of Parliamentary Law provides that financial reports are given purely for the information of the members at meetings and not need be put to vote to be accepted or adopted because this would be certifying to their accuracy and completeness without proper audit. If the report has been audited prior to the reading, a vote would be in order to accept the report for final approval.
