### Ladies Auxiliary President's Message

Sorry about the confusion regarding the election of next year's officers. We will be electing next year's officers during our April meeting and installing them during our May meeting.

We need to change the date of our June meeting due to a conflict with the Convention. It will be moved to Thurs. June 14th at 6:45pm. The new officers will be able to take over at this meeting.

I want to thank Carol Engblom for planning the April 28th dinner, White Linen Affair. Tickets are on sale now, but seating is limited, so get your tickets early. It sounds like it is going to be great. Thanks again Carol.

May 1st is Loyalty Day and we will be having a ceremony at the post around noon, followed by a potluck. The potluck will be a potato bar with a green salad. We will provide the potatoes and green salad so bring your favorite toppings.

Our post is hosting the District meeting on Sat. May 5th. Since this is Cinco de Mayo we would like to have the potluck have a Mexican theme. The potluck will be at noon across the street at the Senior Center. The Ladies meeting will be at 1:00 at the Senior Center. I hope many of you will plan on attending since we are the hosts.

March 31st is our year end for time and expense reporting. Our final reports must be mailed early April, so I hope everyone has already turned in their reports. IF NOT, CALL ME (503-663-0510). Thank you.

Debbie Glenzer is planning on moving to Florence soon. We are really going to miss her around here. We will need help with our youth group, quilting and baking among many other things that Debbie does for us. We wish you much happiness in your new home Debbie. Please come to see us often.

Jean Bettencourt

Ladies Auxiliary President

**Post Membership**

Thanks, everyone; we are almost at 100% membership for this year. There are still a few members who haven't caught up on your dues for 2012, so I hope this letter will remind you to send in your \$26.00 for this year, so you don't miss out on all the benefits and fellowship of being a VFW member. Remember to show your VFW membership card at Home Depot or Lowes and you get an extra 10% off your purchase. This will help you save some money on those summer projects you have planned and this one benefit alone could more than cover your annual dues. Your membership and dues also help the VFW fight for our needs and rights in Washington D.C. (safety in numbers) and help your fellow veterans in need of assistance. Please keep up your membership. You've earned it.

**YOUTH GROUP ACTIVITIES**

We had 9 kids for our meeting in March. They made Easter favors to be delivered to the Veterans at Cascadia before Easter. We are hoping for Sat. April 7th. We would like as many of the kids as possible to be part of this visit. Our next youth meeting will be the third Sunday in April which is the 15th. They will meet upstairs from 12:30 to 2:30 as usual. The focus will be on preparing for Memorial Day. Please have your children, grandchildren, friends and neighbors join us. The kids really seem to enjoy the activities and are learning to honor our veterans.

**Family Matters Blog: Military Kids Can Apply for Free Summer Camps**

By Elaine Sanchez  
American Forces Press Service

WASHINGTON, March 20, 2012 - With the temperature rising and the school year drawing to a close, parents across the nation are starting to think about summertime plans. With three young children and a stretch of lazy summer days ahead, it's definitely a hot topic in my household.

Military families can get a head start on their planning today by applying for the National Military Family Association's Operation Purple Summer Camp program. The non-profit organization launched this free program nine years ago to support military children, ages 7 to 17, dealing with the stress of war.

The weeklong camps are open to military children of all ranks and services, both active and reserve. Officials will give priority to children who meet the association's deployment criteria and have never attended an Operation Purple camp. Families should submit their application by midnight EDT on April 19.

This summer, officials said, 1,400 children will attend an Operation Purple camp at one of 16 locations in 14 states: Alaska, California, Connecticut, Florida, Hawaii, Indiana, North Carolina, New York, Oregon, Pennsylvania, Tennessee, Texas, Washington and West Virginia.

For more information or to submit an online application, visit the NMFA website. (<http://www.militaryfamily.org/>)

**NATIONAL HOME FOR CHILDREN**

Please keep saving your Campbell's soup/UPC symbols. Eligible products include Campbell's soups, Spaghettios, Super Bakes, V8 caps, Franko American gravies, Prego, Swanson and Pepperidge Farm Products.

These labels go to help the National Home for Children near Grand Rapids, Michigan. This is where spouses and children of deceased or disabled veterans can go for help.

The labels have helped to buy vans for transportation of children and families to school, appointments, sports practice and community service activities.

So, save those labels and bring them into the VFW Post. As of Feb. 15th we have only received 260 of them. I will be sending them in sometime in March. This is an ongoing program, so try to bring what you have in often.

### U.S. Suspends MIA Search in North Korea

By Jim Garamone  
American Forces Press Service

WASHINGTON, March 21, 2012 - The United States has suspended efforts to find remains of U.S. service members lost during the Korean War due to North Korean threats to launch a ballistic missile, Pentagon Press Secretary George Little said here today.

Recovering remains of those lost and unaccounted for is a priority to the Defense Department, and U.S. experts were due to enter North Korea this month.

"We have suspended that effort because we believe that North Korea has not acted appropriately in recent days and weeks and that it's important for them to return to the standards of behavior that the international community has called for," Little said at a Pentagon news conference. "We do hope at some point to be able to re-engage the effort."

The United States sees the recovery of remains as a humanitarian mission and does not link those operations with other policy issues, Tara Rigler, a Pentagon spokeswoman, said in a statement. However, she added, the North Koreans politicized these humanitarian operations "by linking them to long-standing annual military exercises which are defensive in nature and are designed to increase the interoperability between the United States and [South Korea]."

Rigler said these actions and other developments call into question the credibility of all of North Korea's commitments, including the remains recovery operations. "As a result," she added, "we are suspending the current arrangement to resume remains recovery operations with [North Korea] until their actions indicate a willingness to move forward in good faith on its commitments."

North Korea cited the exercises in refusing to honor procedures agreed to in October. Since then, Little said, indications have emerged that North Korea might launch ballistic missiles. "That would be in contravention of U.N. Security Council resolutions," he added, "and that is unacceptable behavior."

The United States hopes to engage in the future with North Korea on efforts to recover remains, Little said. "But when there are suggestions that they might launch ballistic missiles, when they make bellicose statements about South Korea and engage in actions that could be construed as provocative, we think that it's not the right time to undertake this effort," he told reporters. "We're hopeful that we will get past this period and that we can continue the remains recovery effort."

The Defense Department remains committed to the fullest possible accounting of the more than 7,950 U.S. service members missing from the Korean War, officials said. An estimated 5,300 are missing in what is now North Korea. In many cases, the United States knows exactly where the service members were buried, as U.S. forces attacked up into North Korea in late 1950.

The Chinese army entered the fray and pushed U.S. and other United Nations forces out of the north. U.S. officials say they know where those burials are, but have not been able to get to them.

Other areas are more of a problem, officials said, especially graves associated with prisoner of war camps. The North Koreans and Chinese tortured, beat and starved POWs, and many hundreds died from the abuse, officials said.

Daily Canteen Menu (Closed Monday)

Halibut Fish & Chips	\$5.50
Chicken Strips & Fries	\$4.50
Hamburger & Fries	\$4.50
Cheeseburger & Fries	\$5.00
French Fries	\$2.50
